Subject:

Recommendation for Award – Guide Meridian Water Main Improvements, Project No. 2023-07

Dear Mr. Hutchings,

Following the public bid opening held on May 29, 2025 for the above-referenced project, we have completed our evaluation of the submitted bids in accordance with the City's procurement requirements and the criteria set forth in the bid documents.

A total of three (3) bids were received. After review of the bids for completeness, responsiveness, and compliance with the project specifications, we find that the lowest responsive and responsible bidder is **Western Refinery Services, Inc.** with a base bid amount of **\$295,608.00**. Their bid is deemed fair and reasonable, and all required bid documentation has been submitted and deemed satisfactory.

Therefore, we recommend that the City of Lynden award the construction contract for the **Guide Meridian Water Main Improvements to Western Refinery Services, Inc.**, in the amount of **\$295,608**, contingent upon final verification of bonding and insurance requirements and the execution of the contract documents.

Please feel free to contact me at (360) 671-7387 or JVanderYacht@psurvey.com if you have any questions or require additional information.

Sincerely,

Jeff Vander Yacht, P.E.
