<b>Summary Statement:</b>		
<p>Lesa Starkenburg-Kroontje, representing her client Four 'S' Investments, has applied for a Zoning Text Amendment regarding the expansion of the nonconforming use of a mobile home park within the Commercial Services-Regional (CSR) Zoning category. The request is somewhat focused on the Duffner Mobile Home Park located on Front Street just west of the Guide Meridian. However, the amendment would apply to any other mobile home communities (MHCs) within the CSR zoning category. (Staff believes this is limited to one other circumstance – the unit pads located at the Windmill Inn Motel located at 8022 Guide Meridian.) Non-conforming uses are addressed in LMC 19.35. A use, like the Duffner Mobile Home Park, which is brought into the City and does not match the permitted uses of its zoning category is considered a legal nonconforming use. Although a legal nonconforming use can continue to operate, it is not permitted to expand.</p> <p>The Duffner Mobile Home Park was recently able to connect to City sewer services and decommission aging septic systems. This available connection has also initiated the applicant's opportunity to request additional housing units be placed on the property as each would be able to connect to sewer services. The amendment application describes the potential benefits that additional stock of affordable housing could provide to the City.</p> <p>Staff review, with the assistance of the City's legal counsel, has concluded with a recommendation to approve the expansion of MHCs in the City's CSR zones only as a conditional use and subject to appropriate setback and buffering requirements that may result as a review of the conditional use permit application. To be consistent with State Statues, staff also recommends that the City's definitions related to MHCs in Chapter 17 be updated as attached and the corresponding text amendments to Chapters 18 and 19 be made in accordance with these updates.</p>
