Draft Resolution No. 1026 Public Comment Summary List		
Summary Statement:		
<p>The Project Manual for Engineering Design and Development Standards was adopted by City Council on April 5, 2004 and was updated in November 2006 and November 2010. These standards are required by the City’s Growth Management Act and include street, water, sewer, and storm drainage standards. The manual also addresses access issues, permitting processes and procedures, and includes various forms necessary in the development process.</p> <p>In response to inquiries, changes in technology, and the direction of various City Committees, additions, deletions and/or clarifications have been made to the Project Manual for Engineering Design and Development Standards. The Public Works Committee reviewed the updates at their October 4, 2020 meeting and recommended that they be forwarded to City Council for consideration.</p> <p>Staff is now presenting proposed Resolution No. 1026 along with a list of revisions for Council review.</p> <p>The Public Hearing was scheduled for November 16, and numerous engineers and consultants were provided with the proposed updates and asked to provide comments. The Public Hearing was opened at the City Council meeting on November 16 and continued. The written comments received to date have been attached.</p>		
Recommended Action:		
That City Council direct staff to make the necessary changes to Resolution No. 1026, Revisions to the Project Manual for Engineering Design and Development Standards to address Public comments and to bring the updated Resolution to City Council for approval.
