<b>Summary Statement:</b>		
<p>By law, a public hearing must be held for City Council to consider comments regarding the City's Six Year Transportation Improvement Program (2020 to 2025). Attached are Lynden's proposed transportation improvement projects that will be submitted to the Washington State Department of Transportation (WSDOT) as part of their statewide program.</p> <p>In order to apply for funding for these projects, every city and county must prepare a planned local projects listing and forward it to the WSDOT by July 31, 2019 for inclusion in the State Transportation Improvement Program (STIP) list.</p> <p>The Public Works Committee reviewed the STIP projects at their April 3, 2019 meeting and recommended that City Council set a public hearing date of May 6, 2019 at 7:00 p.m. at the Lynden City Hall Annex, to hear comments on the City's Six-Year Transportation Improvement Program.</p> <p>After the hearing is closed, the Council may pass the resolution approving the program.</p>		
<b>Recommended Action:</b>
