		Legal Review: <input type="checkbox"/> Yes - Reviewed <input type="checkbox"/> No - Not Reviewed <input checked="" type="checkbox"/> Review Not Required
Attachments:		
1) Precision Approach Engineering letter - Recommendation to Award 2) Certified Bid Tabulation		
Summary Statement:		
<p>Staff recently solicited small works contract bids for the Airport Pavement Maintenance Project, which is 95% funded through a WSDOT Aviation grant. A single bid was received from CR Contracting, LLC on September 2, 2020. Precision Approach Engineering prepared the attached Bid Tabulation which compares the bid with the Engineer's Estimate.</p> <p>After review, Precision Approach Engineering determined CR Contracting, LLC bid to be both responsive and responsible. Precision Approach Engineering recommends that the contract be awarded to CR Contracting, LLC in the amount of \$103,309.02 which includes Washington State Sales Tax.</p> <p>The City Council previously approved Resolution 1020 authorizing acceptance of WSDOT grant funding. Because of COVID-19, the WSDOT grant award was delayed. Staff is bringing this 2020 budgeted project directly to City Council intending to allow the contractor to complete the work before the end of summer.</p>		
Recommended Action:		
<p>That City Council award the contract for the Airport Pavement Maintenance Project to CR Contracting, LLC in the amount of \$103,309.02 including tax and authorize the Mayor to sign the contract after finalizing the WSDOT Aviation Construction Grant Agreement.</p>
