While we saw a bit of decline in call volume in September, we are still seeing a 7.32% increase in response over last years. Our department responded to 229 calls for service this month, including multiple instances of simultaneous calls in progress. There were 48 instances of 2 calls in progress and 5 instances of 3 calls in progress. These instances leave our city with no available responders, causing us to rely on our mutual aid partners who are also experiencing increases in call volume. In the month of September LFD received mutual aid from NWFR 5 times and from Everson FD 1 time. LFD provided mutual aid to NWFR 16 times, Everson FD 1 time, and District 7-Ferndale 1 time.
