

## Chapter 5.30 PARADES AND SPECIAL EVENTS

### Sections:

#### 5.30.010 Definitions.

In this chapter, unless a different meaning plainly is required, the following definitions shall apply:

- A. "Chief of police" means the chief of police of the city of Lynden.
- B. "City" means the city of Lynden.
- C. "Parade" means a large group of persons with or without animals or vehicles moving in a public procession or march in or upon any street, sidewalk, park, or other public place. A large group of persons means a group of more than fifteen persons.
- D. "Special events permit" means a permit as required by this chapter.
- E. "Special event" means an event organized by any person or which will generate or invite considerable public participation and/or spectators, for a particular and limited purpose and time, including, but not limited to concerts, fun runs, ~~roadway foot races~~, fundraising walks, bike-a-thons, carnivals, shows, exhibitions, ~~circuses festivals, block parties, and certain community events, and fairs~~. Special events are not limited to those events conducted on the public streets but may occur on private property. ~~This code does not include public dances as specified under LMC 5.32.~~
- F. "Person" means any person, firm, partnership, association, corporation, company, or organization of any kind.
- G. "Street" or "Streets" means any public highway, sidewalk, alley, or portions thereof in the city of Lynden dedicated to the public use.
- G.H. "Substantial impact" means creating an increase in the amount, scope or level of need for city-provided emergency or protective services such as police, fire or medical aid and/or necessitating special traffic control measures such as barricades, traffic direction by police, or similar measures above those that would normally be required without the event and that results in actual, documented costs to the city due to the event.

Commented [DT1]: This rewrite would consider public dances a Special Event - regulated by this chapter.

(Ord. 1141 § A (part), 2002).

#### 5.30.020 Permit—Required—Exceptions.

1) Permit Required: No person shall engage in, participate in, aid, form or start a special event or parade unless a permit has been obtained. Applications for permits must be obtained from the city administration office, completed by the applicant, and returned to the city administration office.

#### 2) Special Event Permit Tiers:

a) Tier 1: Permit required, application fee waived, no insurance or indemnification agreement required, administrative approval.

*How the Lynden Music Festival fits in since it uses multiple venues - on fee or several for each over the 75  
low the 75 threshold going to rigorously enforced or is there anyway.*

*A purpose statement for this ordinance would be helpful.*

i) A private event, on private property, more than 75 participants, and no substantial impact on public property, public streets, public services, neighbors, or other community members.

Commented [DT2]: No strong feelings expressed about 75 participants being the appropriate number where regulation begins. *ok with 75*

ii) Political or religious activity primarily intended for the communication or expression of ideas presumed to be protected by the First and Fourteenth Amendments of the United States Constitution.

Commented [DT3]: Consensus from CDC discussion was to leave Constitutionally protected events as Tier 1 (so the City is aware) and not as an outright exemption.

b) Tier 2: Permit required, application fee required, administrative approval.

i) A private or public event, on private property, more than 75 participants, with substantial impact on local traffic, noise, and the neighborhood, but does not require public services.

*Is this going to require a permit for weddings and funerals happy with exemption*

c) Tier 3: Permit required, application fee required, public services fee may be determined, administrative approval.

i) A private or public event that uses private and/or public property (this may include non-arterial street closures and 4<sup>th</sup> St between Front and Grover), more than 75 participants, and may result in substantial impact to public services (Police, Public Works, etc).

Commented [DT4]: Non-arterials and 4th St can be closed with administrative approval. *good idea*

Formatted: Superscript

d) Tier 4: Permit required, application fee required, public services fee may be determined, City Council approval.

i) A private or public event that uses private and/or public property (specifically which includes arterial street closures and streets besides 4<sup>th</sup> St in the HBD), more than 75 participants, and a substantial impact to public services (Police, Public Works, etc).

Commented [DT5]: This would include 5th St events - those will still require Council approval *yes*

Formatted: Superscript

Formatted: Indent: Left: 0.75", No bullets or numbering

3) Permit Exemptions: The permit requirement does not apply to the following:

a) Funeral and wedding processions.

b) A private event on private property, involving less than 75 participants, and which has no substantial impact on the neighborhood or on public services.

c) Groups of students involved in a school sponsored, school supervised event.

d) Events conducted in a facility designed for that purpose such as theaters, auditoriums, places of worship, etc.

e) Events separately approved by the Lynden Parks Department for use at a park property.

f) The annual Northwest Washington Fair. Other events held throughout the year at the Fairground's property and event center property are not exempt.

4)

Commented [DT6]: CDC discussion wished to make clear that other events (besides the actual Fair) occurring on the fairgrounds property, including at the Rotary Building, would still need the permit.

Formatted: Indent: Left: 0.5", No bullets or numbering

2)4) Indemnification Agreement: In addition, the applicant must file an "Indemnification Agreement" in order to obtain a permit. An "Indemnification Agreement" section is included on the Special Event Application. This section must be completed (with appropriate signatures) with the application prior to issuance of the permit. Forms must be obtained from the city administration office, completed and signed by the applicant and returned to the city administration office. In order for a permit to issue, the "Indemnification Agreement" must be signed on behalf of the city by the mayor or his or her designee.

5) Insurance Requirements: General Requirements:

Is a dance permit required for a school person?*

The following insurance shall be required for special event permit approval:

a) Annual events are required to submit an application every year the event occurs. The application shall be submitted no less than 60 days prior to the event. Any changes to the event, and ongoing requests for public services shall be indicated in the application.

Commented [DT7]: Section updated to require annual recurring events to secure a permit every year

Formatted: Indent: Left: 0.5", No bullets or numbering

~~5) The city administrator shall have the authority to renew permits for regularly recurring events without requiring the applicant to submit a new application for subsequent editions of the recurring event. Permits issued for recurring events shall be known as "annual permits." In order to obtain a renewal of an annual permit, the applicant must notify the city administrator in writing no less than sixty days prior to the event. In addition to the date upon which the event will be held, the applicant seeking a renewal must inform the city administrator of any changes between the most recent previous edition of the event and the edition contemplated by the renewal. If the city administrator denies the renewal, he or she must do so no later than twenty-five days prior to the date upon which the event is scheduled to occur. The applicant may appeal from a denial of a request for renewal of an annual permit as provided in this chapter.~~

Commented [DT8]: This section added to this rewrite. CDC consensus is that it should remain but appreciate c) where if deemed a public benefit, the cost of those public services do not need to be reimbursed. The actual fee schedule (for specific public services) is yet to be determined.
