Attachments:		
1) Bid Tabulation 2) Reichhardt & Ebe Recommendation Letter		
Summary Statement:		
<p>On May 30th staff solicited bids from seven qualified firms on the City's Small Works Roster for the "Old Elevated Water Tank Foundation and Soil Remediation Project." No bids were received. It was determined that the schedule and limited working days during this busy construction season might be the problem. So bids were re-solicited on June 28th. Again, no bids were received. After consulting the City Attorney on next steps, negotiations were held with three interested bidders to determine appropriate amendments to the specifications. After making these changes and soliciting small works bids a third time two companies submitted bids - Strider Construction and DeKoster Excavating.</p> <p>Reichhardt & Ebe Engineering reviewed the bids determined that Strider Construction Company, Inc. provided the lowest responsive and responsible bid in the amount of \$242,048.81, including tax.</p> <p>The Public Works Committee reviewed the progress on this bid process at their June, July and August meetings; and were sent the bid tabulation prior to this meeting.</p>		
Recommended Action:		
That City Council award the contract for the Old Elevated Water Tank Foundation and Soil Remediation work to Strider Construction Company, Inc. in the amount of \$242,048.81, including sales tax and authorize the Mayor to sign.
