Summary Statement:	<p>At the August 7th Public Works Committee meeting, Jim Frey, Lynden School District Superintendent, submitted a letter explaining that the District is repurposing the old middle school facilities to be used for early childhood classrooms and district offices. Part of the plan is to include a bus loop and parent drop off next to the school along Main Street. The school district would like to add 8 parallel parking spaces on Main Street. Currently parking is not allowed along the sidewalk next to the school as previously that would have created unsafe circumstances.</p> <p>At their August 7th meeting, the Public Works Committee reviewed this request and directed staff to amend Section 10.08.100 of the Lynden Municipal Code to reflect this change and submit it to the full City Council for approval.</p>	
Recommended Action:	That City Council approves Ordinance No. 1592 - Amendment to Chapter 10.08.100 Parking and Loading and authorize the Mayor's signature
