Re: Lynden School District Capital Facilities Plan & Impact Fees

On March 6, 2025, at a regular school board meeting, the Lynden School District (District) Board of Directors adopted its Capital Facilities Plan and Authorization to Request Impact Fees (via Resolution #03-25).

The District respectfully requests that the City of Lynden adopt the District's 2025 Capital Facilities Plan by references as a part of the City's Comprehensive Plan and adopt or re-enact a school impact ordinance to provide for the collection by the City of impact fees on behalf of the District. Please let us know if you would like the District's attorney to provide a draft ordinance and interlocal agreement for that purpose.

A copy of the resolution is provided for your reference.

Thank you for providing me with the opportunity to present information to the City Council, in support of this request.

Please let me know if you have any questions.

Sincerely,

David VanderYacht
Superintendent
