<b>Summary Statement:</b>		
<p>The Downtown Business Association (DBA) has submitted a proposal for a pedestrian wayfinding sign to be located on the corner of Front Street and 5<sup>th</sup> Street. The item was reviewed by full Council. Given the request to limit business listings to those related to tourism, the Council asked that the sign proposal return to CDC.</p> <p>Members of the DBA intend to attend the July 17<sup>th</sup> Committee meeting to provide information on this proposal.</p> <p>In addition to Council approval the sign will require a Street Encroachment Permit so that Public Works can review and approve the installation into / on the sidewalk.</p>		
<b>Recommended Action:</b>		
Develop a recommendation on the sign proposal.
