City Park License Agreement		
<b>Summary Statement:</b>		
<p>The Lynden Christian Schools are expanding their elementary school and adding portables for the middle school resulting in a loss of playground space for their students. They have contacted the City requesting the possibility of a shared use agreement for approximately 100 feet of the eastern part of City Park to be used as additional playground space for their students. The eastern portion of the wooded section of City park is seldom used by citizens or visitors to the park. The school has agreed to build a chain link fence at their expense, clean up the agreed to area, install gates so the public can use that area when school is not in session and maintain the area for the duration of the agreement. Parks Committee reviewed the request at their meeting last month and again at their meeting on June 21, and requested the agreement be brought to City Council for final approval.</p>		
<b>Recommended Action:</b>		
Motion to approve the City Park License Agreement between the City of Lynden and Lynden Christian School and authorize the Mayor's signature.
