Attachments:	Interlocal Agreement	
Summary Statement:	<p>Staff is recommending another Interlocal Agreement with the Whatcom Conservation District (WCD) for a Stormwater and Water Conservation Community Education and Outreach Program in 2022. Some of their work scope fulfills certain City requirements under its NPDES Phase II Stormwater Permit. Their water conservation efforts fulfill certain Water Use Efficiency requirements from the State Department of Health. This year's scope of work includes supporting the construction of stormwater improvements at the Northwest Washington Fair under a Department of Ecology grant obtained by the City.</p> <p>Additionally, through this agreement, the City participates in the Nooksack Basin Water Quality studies that evaluate results of fecal coliform testing to identify sources of contamination. This aids Whatcom County's Portage Bay Shellfish District.</p> <p>The term of this agreement is January 1, 2022 through December 31, 2022. The Whatcom Conservation District Board approved this Interlocal Agreement at their November meeting. The Public Works Committee reviewed this agreement at their meeting on November 3, 2021 and concurred to recommend approval by City Council.</p>	
Recommended Action:	That City Council approve the Interlocal Agreement with the Whatcom Conservation District and authorize the Mayor's signature on the agreement.
