<b>Summary Statement:</b>		
<p>Staff recently solicited bids for the East Grover Overlay – Railroad to Bradley Road project. Five bids were received on June 10, 2020. Reichhardt and Ebe Engineering prepared the attached Bid Tabulation.</p> <p>The Public Works Committee was advised of the bids and concurred to recommend award to Colacurcio Brothers Construction, the lowest responsive and responsible bidder, in the amount of \$531,744.52, including Washington State Sales Tax. This project will be funded in part with TIB funds (over \$350,000 of the construction and most of the construction management). The balance of the funding will be from Impact Fees and Water and Sewer Utility Fees. The Committee concurred that the bid results could be forwarded directly to City Council after informing them of the results.</p>		
<b>Recommended Action:</b>		
<p>That City Council award the contract for the East Grover Street Overlay – Railroad to Bradley Road project to Colacurcio Brothers Construction in the amount of \$531,744.52, including Washington State Sales Tax, and authorize the Mayor to sign the contract after receiving TIB concurrence.</p>
