Exhibit B  
Date 8.26.24  
Initials KP

Dear Planning and Building Department,

I, Lindsey White, owner and resident of 2788 Cadotte Ave Mackinac Island, MI, am seeking Committee's approval for replacement of old fence with a new fence. To be located in the same position as the current broken chain-link fence.

Attached are pictures of both the existing fence and the proposed fence. To include an entrance gate and trellis and double gate at the far left (street facing) entrance to allow for snowmobile access.

It is my belief that this upgrade will be a vast improvement to the look of the neighborhood and a welcome change.

I appreciate your consideration on this matter.

Lindsey White

Existing Use (If Non-conforming, explain nature of use and non-conformity):

Proposed Use:

C. If Vacant:

Previous Use:

Proposed Use:

STATE OF MICHIGAN            )  
COUNTY OF MACKINAC        ) ss.

**AFFIDAVIT**

The applicant agrees that the permit applied for, if granted, is issued on the representation made herein and that the permit issued may be revoked without further notice on any breach of representation or conditions.

The applicant further understands that any permit issued on this application will not grant any right of privilege to erect any structure or to use any premises described for any purposes or in any manner prohibited by the Zoning Ordinance, or by other codes or ordinances or regulations of the City of Mackinac Island.

The Applicant further agrees to furnish evidence of the following before a permit will be granted:

- A. Proof of ownership of the property; and/or other evidence establishing legal status to use the land in the manner indicated on the application.
- B. Proof that all required federal, state, county, and city licenses or permits have been either applied for or acquired.
- C. Other information with respect to the proposed structure, use, lot and adjoining property as may be required by the Zoning Administrator in accord with provisions of the Mackinac Island Zoning Ordinance.

The Applicant further agrees to notify the Zoning Administrator when construction reaches the stage of inspection stated on the permit, if granted. Upon completion of construction to the structure(s) or land the Zoning Administrator shall inspect the premises for compliance with the Mackinac Island Zoning Ordinance and the terms of this permit. Upon determination of compliance, an occupancy permit may be issued. It is further understood that pursuant to the City of Mackinac Island Zoning Ordinance, No. 479 and amendments, adopted November 2013, unless a substantial start on the construction is made within one year, unless construction is completed within one and one-half years from the date of issuance of the permit, this permit shall come under review by the Planning Commission and may either be extended or revoked.

**The undersigned affirms** that he/she or they is (are) the applicant and the owner (specify: owner, Lessee, Architect/Engineer, Contractor or other type of interest) involved in the application and that the answers and statements herein attached are in all respects true and correct to the best of his, her or their knowledge and belief. The applicant hereby further affirms that he/she or they has read the foregoing and understands the same. **If the applicant is other than the owner, then a notarized affidavit from the owner, giving the applicant permission to seek the requested zoning action on their behalf, shall also be submitted with this application.**

### Site Plan Review Checklist

#### Please Submit With The Application for Zoning Action

---

As a minimum, the following information shall be included on the site plan submitted for review and processing; more complex plans may require additional information as noted.

NOTE: The engineer, architect, planner and/or designer retained to develop the site plan shall be responsible for securing a copy of the City of Mackinac Island Zoning Ordinance (Ord. No. 479, effective November 12, 2013), which can be obtained via the City's website at [www.cityofmi.org](http://www.cityofmi.org).

Site plan review requirements are primarily found within Article 4, General Provisions, and Article 20, Site Plan Review of the City Zoning Ordinance. References are provided whenever possible for the section of the Zoning Ordinance that deals with a particular item. When in doubt, refer to the Zoning Ordinance directly for required information.

For further information, contact Mr. Dennis Dombroski, City Building Official/Zoning Administrator, at (906) 847-4035.

|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|---------------------------------------|
|                                                                                                                                                                     | <u>Provided</u>          | <u>Not Provided<br/>or Applicable</u> |
| 15. Location of natural features such as wood lots, streams, wetlands, unstable soils, bluff lines, rock outcroppings, and similar features (see also Section 4.26) | <input type="checkbox"/> | <input checked="" type="checkbox"/>   |
| 16. Topography of the site with at least two- to five-foot contour intervals                                                                                        | <input type="checkbox"/> | <input checked="" type="checkbox"/>   |
| 17. Proposed alterations to topography or other natural features                                                                                                    | <input type="checkbox"/> | <input checked="" type="checkbox"/>   |
| 18. Earth-change plans, if any, as required by state law                                                                                                            | <input type="checkbox"/> | <input checked="" type="checkbox"/>   |

#### Physical Features

- |                                                                                                                                                                                                                                                                                                           |                          |                                       |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|---------------------------------------|
|                                                                                                                                                                                                                                                                                                           | <u>Provided</u>          | <u>Not Provided<br/>or Applicable</u> |
| 19. Location of existing manmade features on the site and within 100 feet of the site                                                                                                                                                                                                                     | <input type="checkbox"/> | <input checked="" type="checkbox"/>   |
| 20. Location of existing and proposed principal and accessory buildings, including proposed finished floor and grade line elevations, height of buildings, size of buildings (square footage of floor space), and the relationship of buildings to one another and to any existing structures on the site | <input type="checkbox"/> | <input checked="" type="checkbox"/>   |
| 21. For multiple family residential development, a density schedule showing the number of dwelling units per acre, including a                                                                                                                                                                            | <input type="checkbox"/> | <input checked="" type="checkbox"/>   |

dwelling schedule showing the unit type and number of each such units

22. Existing and proposed streets, driveways, sidewalks and other bicycle or pedestrian circulation features
23. Location, size and number of on-site parking areas, service lanes, parking and delivery or loading areas (see also Section 4.16)
24. Location, use and size of open spaces together with landscaping, screening, fences, and walls (see also Section 4.09 and Section 4.21)
25. Description of Existing and proposed on-site lighting (see also Section 4.27)

#### Utility Information

#### Provided

#### Not Provided or Applicable

26. Written description of the potential demand for future community services, together with any special features which will assist in satisfying such demand

27. Proposed surface water drainage, sanitary sewage disposal, water supply and solid waste storage and disposal (see also Section 4.13)

28. Location of other existing and proposed utility services (i.e., propane tanks, electrical service, transformers) and utility easements (see also Section 4.13)

29. Written description and location of stormwater management system to be shown on a grading plan, including pre- and post-site development runoff calculations used for determination of stormwater management, and location and design (slope) of any retention/detention features (see also Section 4.

**Site Plan Informational (Demolition)  
Requirements (Section 20.04, D)**

| <u>Demolition</u>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | <u>Provided</u>          | <u>Not Provided<br/>or Applicable</u> |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|---------------------------------------|
| 1. Site plan of property where demolition is going to take place. This plan shall include structure(s) being demolished, location of utilities, septic tanks, an itemized statement of valuation of demolition and restoration work to be performed, or other such items as may be required by the building official.                                                                                                                                                                                                                                                               | <input type="checkbox"/> | <input checked="" type="checkbox"/>   |
| 2. Copy of asbestos survey if required by EGLE or other state department.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | <input type="checkbox"/> | <input checked="" type="checkbox"/>   |
| 3. Results of a pest inspection and, if necessary, a pest management plan.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | <input type="checkbox"/> | <input checked="" type="checkbox"/>   |
| 4. Plans for restoring street frontage improvements (curb closure, sidewalk replacement, street patch, or other items as required by the building official). These items will not be required if building permits for redevelopment have been applied for or if redevelopment is planned within six months. In such case, the cash bond will be held until building permits for redevelopment are issued or improvements are complete. Completion shall not be deferred more than six months. Temporary erosion control and public protection shall be maintained during this time. | <input type="checkbox"/> | <input checked="" type="checkbox"/>   |
| 5. A written work schedule for the demolition project. Included in this may be, but are not limited to, street closures, building moving dates, right-of-way work, or other items as required by the building official.                                                                                                                                                                                                                                                                                                                                                             | <input type="checkbox"/> | <input checked="" type="checkbox"/>   |
| 6. Acknowledgment that if any unknown historic or archeological remains discovered while accomplishing the activity authorized by a permit granted by the City, all work must immediately stop and notification of what was discovered must be made by the applicant to the City as well as any other required offices. The City will initiate the Federal and state coordination required to determine if the remains warrant a recovery effort or if the site is eligible for listing in the National Register of Historic Places.                                                | <input type="checkbox"/> | <input checked="" type="checkbox"/>   |

---

**Architectural Review  
Informational Requirements (Section 18.05)**

| <u>Item</u>                                                                                                                                                                                                                                                                                                                                                                   | <u>Provided</u>                     | <u>Not Provided<br/>or Applicable</u> |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------|---------------------------------------|
| 1. Name and address of the applicant or developer, including the names and addresses of any officers of a corporation or partners of a partnership                                                                                                                                                                                                                            | <input checked="" type="checkbox"/> | <input type="checkbox"/>              |
| 2. Legal description of the property                                                                                                                                                                                                                                                                                                                                          | <input checked="" type="checkbox"/> | <input type="checkbox"/>              |
| 3. Drawings, sketches and plans showing the architectural exterior features, heights, appearance, color and texture of the materials of exterior construction and the placement of the structure on the lot, and any additional information determined necessary by the planning commission to determine compliance with the architectural standards (see also Section 18.06) | <input checked="" type="checkbox"/> | <input type="checkbox"/>              |
| 4. Photographs of existing site conditions, including site views, existing buildings on the site, streetscape views in all directions, and neighboring buildings within 150 feet of the site.                                                                                                                                                                                 | <input checked="" type="checkbox"/> | <input type="checkbox"/>              |
