Hi Danielle,

We seek to obtain a street cut permit for the Truscott Project. We would like to begin this Thursday (Feb 8,2024) and hopefully complete within 2 weeks. Thank you for your help in this matter.

Hello Bob & Chad,

Attached is the approved Street Cut Permit that I found from November 2022 for a street cut at the Truscott Street project. As we are now two (2) years past this being approved, I think it would be best for one of you to send me an email stating this project has not been completed to date, and provide the new dates that you would like to perform the cut. I see no reason why they would not approve this, as we should still have the bond in Dennis's office, but they will want to know the new dates.

If this information could be emailed to my no later than tomorrow afternoon, I can get it on this week's agenda.

Thank you!
