Description: Initials KP

We have added statues to 3 locations on Mackinac Island and are requesting approval to keep them at the docks.

The three art pieces were previously in Naples and made by "The Englishman Fine Art" Company out of Naples and London.

The art pieces are owned by the Hoffmann Family and we thought that the pieces would fit in with the art culture on the Island.

1. SHEPLER'S DOCK: The "Gateway" piece is located at the end of the dock where the priority boarding lines are located. As you can see in the picture the sculpture sits on the old freight ramp (grating) that is not used....it keeps passengers off of the ramp. It has a concrete base and the piece is stainless steel.
2. EAST DOCK: "Flow" sits on the East corner when entering the dock. The base is concrete and the piece is stainless steel,
3. ARNOLD TRANSIT DOCK: "Flying Even Higher" is sitting on the East Side of the dock next to the side Lobby Door. She is bronze.

We would appreciate your consideration in allowing us to keep the art pieces at each location.
