

**AMENDMENT TO SOLID WASTE ORDINANCE
OF THE CODE OF ORDINANCES,
CITY OF MACKINAC ISLAND, MICHIGAN
Ord. No. _____ Eff. _____**

An ordinance to amend the Solid Waste Ordinance, being Section 50-8 of the City of Mackinac Island Code of Ordinances, regulating the storage, disposal, hauling and general management of solid waste within the City of Mackinac Island.

THE CITY OF MACKINAC ISLAND ORDAINS:

Section 1. Repeal and Replace. Code Section 50-8, entitled Storage and Segregation of Certain Commercial Processable Waste, is hereby repealed in its entirety and replaced with the following:

Sec. 50-8. - Storage and Segregation of Certain Commercial Processable Waste.

The outside storage or placement of processable waste in the areas specified in Section (d) of this section, prior to its delivery to a licensed waste hauler or disposal at an approved disposal area, shall meet the following requirements:

(a) Be kept on private property and not on any public street, public sidewalk or public way and be screened from view from any public area or neighboring property, except that processable waste may be placed fifteen (15) minutes prior to the pickup times listed below, on a public sidewalk or an unscreened area of private property adjacent to a public sidewalk pending pickup by a licensed solid waste hauler. The following items may be placed fifteen (15) minutes prior to the times indicated:

10:00 a.m. pickup:

City black bags, City compostable bags and waste grease.

5:00 p.m. pickup:

City black bags, City compostable bags, waste grease, City clear recyclable bags, and bundled cardboard.

(b) The materials stored outside shall be separated so that materials that are compostable and recyclable are segregated from each other and from other types of processable waste.

(c) All processable waste placed outside whether stored in bags or otherwise shall be labeled sufficiently to identify the party responsible for the processable waste being delivered to the licensed waste hauler or the approved disposal area.

(d) These regulations shall apply to all properties and businesses that are located in the following area except those properties that are used exclusively as a single family residence (bed and breakfast not being considered single family residences for purposes of this section).

- (i) Main Street from Windemere Point to City Water Plant.
- (ii) Market Street.
- (iii) All streets and alleys connecting Market Street to Main Street.
- (iv) Cadotte Avenue northward to the four corners, being the intersection of

Cadotte Avenue and Annex/Huron Road.

Section 2. Violation.

Any person violating any provision of this ordinance shall be deemed responsible of a civil infraction and shall be assessed a fine consistent with the city schedule of fines for civil infractions.

Section 3. Effective Date.

This ordinance shall become effective twenty (20) days after passage.
