A photo of the banner is attached to this email and all corner and center grommets on the banners have ropes that will be securely fastened. Our banners are 3' x 8' so all outside banners will have 5 ties across the top length of banner and 3 ties along the side of the banner.

From past years, we believe this copy complies with all regulations and hope that this will be put on the agenda to be presented at the Town Council Meeting. I can be reached by return e-mail or by phone at 732-277-8813. Thank you for the review on this list and our Team looks forward to hearing the results of the Town Council Meeting.

Best regards,
