**Subject:** Request for Permission for Spectrum

Hi Danielle,

Thank you for your help on getting this before council. Tim has been making a few phones call to council members so they won't be surprised by this request.

Here's the language:

*To Whom It May Concern,*

*The Mackinac Island Tourism and Mackinac Island Convention and Visitors Bureaus would like to request permission from the City of Mackinac Island for Spectrum Business to install a coax internet connection at the property (7274 Main Street) that Mackinac Tourism leases from the city. Installation is expected to occur this winter upon your approval.*

*Thank you for your consideration.*

Let me know if you need anything else. Thanks again!
