Dear Mayor Doud:

Sheplers and Arnold Transport will be proceeding with the previously noticed fare increase for non-residents effective May 22, per the operative franchise agreements. Please see the attached schedules.

The fare increase will not apply to residents of the Island. It represents an approximately 5 percent increase, and it is the first fare increase since 2022. This is significantly less than inflation, and a small percentage of the increases seen in other Island-related businesses. Island hotel rates, for instance, have skyrocketed during the same time.

The new fare increase is necessary for Sheplers and Arnold to remain viable businesses and avoid confiscation of property by means of unreasonably low fares. After Arnold was purchased (at the Island's request), significant repairs were required to the fleet to keep the service up and running.
