**Subject:** JR Building Movers Vehicle Application Route

Danielle:

In reference to the vehicle permit applications submitted by J&R Building Movers: The existing home located at 1274 Mission Street is currently scheduled to be moved approximately 12 feet South, on the same lot, by J&R Building Movers on December 18, 2024.

I have spoken with Chief Gruits, Dennis and Myron regarding the best travel route and they agree the best route is to travel from the State Dock, East on M-185 to Mission Street.

Regards,

Alan Sehoyan  
Project Manager
