Dear Mayor Doud and City Council Members,

In response to last council meeting and at your request, we have prepared a third revision of our submission to include the comprehensive breakdown of rates, encompassing not only passenger-related fees but also charges for freight carts and other non-passenger items. This adjustment ensures that our documentation now fully addresses all the City's requirements and queries.

Additionally, I would like to remind all Island Resident of our Annual Island Resident Appreciation Days on Thursday, March 28th, and Friday, March 29th, from 10:00 AM to 4:00 PM at Mackinac Island Dock Number One, the Main Dock. During the appreciation days, we will have Island Resident Passes for the 2024 season available for purchase, and there will also be complimentary food and beverages available for islanders as a token of our appreciation for your continuous support and community spirit. Please note that Island Resident Passes will be on sale for Island Residents until Memorial Day, which is May 27th.

We appreciate your patience and guidance in finalizing these details and remain at your service should you need any further adjustments or clarifications.

Thank you once again for your support and cooperation.

Sincerely,

Jerry Fetty
