Mackinac Island Planning Commission,

I am asking for approval for the change of use of space located at 7411 Market Street (Rose Gazebo). The space is currently commercial and if approved we would change the use of the space to residential. At that point a full interior/exterior remodel would take place using approved like for like materials, windows and doors. We will also be asking for approval for a new front deck/porch for that property as well.
