Hi Erin / Dennis,

I was informed recently that the City of Mackinac Island / O'Boyle are using our land on Manor V for storing materials for the Forest Way housing project. That is completely fine, but I would respectfully request a letter from the City of Mackinac Island that holds us harmless and indemnifies us for anything that may happen in relation to your use of our land, as well as a commitment to restore the land to its previous state.

Again, I have no issues with allowing the City to use our land, but if god forbid someone gets hurt on our property, I need to be sure we will not face litigation. Additionally, I don't want to end up paying for any clean-up at the end of the project.

Please feel free to call me if you would like to discuss.

Kevin
