Hello Eric,

Your trailer permits were tabled at yesterday's Council meeting as the Council had a few questions.

1. Do you own the property that they will be stored on? Yes, family owned.
2. The trailers cannot be parked near the road, could you please give a description of where the trailers will be parked? They will be parked between the small yellow house and the shed.
3. What are the building materials for, and what location / building will they be used on? Both yellow houses and the shed.

If you can let me know, that would be helpful. Your permits will be re-submitted to the October 16th Council meeting.
