**Subject:** Starline Bike Fee for licensed bikes

Name: YVONNE PITSCH  
Email: yvonne@lisco.com

Message: Good Morning! I am expressing my concern and dismay with Starline (Mackinac Ferry) charging full price for a mackinac island licensed bike. Previously there was not a fee to transfer our bikes back and forth on the ferry as long as it was licensed by Mackinac Island. I feel that all charges and changes regarding the ferry fees need to be approved by Mackinac Island and I understand the city was not notified of this change. This fee is very hard on island residents and local residents who go across several times a year. Also workers who bike to the ferries and come across to work everyday will add hundreds if not thousands of dollars of expense in a year. I would like to state I am in extreme

disapproval of this new bike fee. Thank you for your time!
