**WHEREAS**, Client desires to retain the services of GDS Associates on a project-by-project basis; and

**WHEREAS**, GDS Associates is willing to provide Client with general consulting services on a continuing basis, and Client is willing to accept such services on a project-by-project basis, all upon the terms and conditions contained herein.

**NOW, THEREFORE**, for and in consideration of the mutual covenants contained herein, the Parties hereby agree as follows:

### **1. PURPOSE OF AGREEMENT**

This Agreement shall be applicable, on a continuing basis, to all professional engineering, engineering consulting, and other consulting services performed for or on behalf of Client by GDS Associates (“Services”). Client and GDS Associates shall, from time to time, enter into Task Orders specifying the various Services to be provided by GDS Associates.

## **2. TERM**

(a) Except as otherwise provided herein, this Agreement is effective from the date first written above and shall remain in effect until terminated in writing by either party. Completion of any Services or Task Orders by GDS Associates shall not terminate this Agreement.

(b) This Agreement may be terminated upon the receipt of thirty (30) days' written notice of such termination by either party from the other and such termination thereby terminates all Task Orders.

(c) A Task Order may be terminated upon the receipt of ten (10) days' written notice thereof; provided, however, that such termination does not terminate this Agreement or any other Task Order.

(d) In the event of any termination under paragraph (b) and/or (c), GDS Associates shall be compensated as provided herein for all Services rendered up to and including the date of receipt of notice of termination.

## **3. SERVICES**

Regarding each Project Assignment, GDS Associates, upon Client's request, agrees to provide the Client a written Task Order which shall be used to define the agreed to Scope of Work, assigned personnel, hourly rates, cost, and deliverables. Such Task Order shall be executed by both the Client and GDS Associates prior to initiation of services.

#### **4. BREACH**

In the event either party hereto breaches any of the provisions of this Agreement, the non-breaching party at its option may give the breaching party written notice of such breach and shall allow the breaching party reasonable time to cure such breach. In the event such breach is not cured within said time, this Agreement and all Task Orders shall terminate, and Client shall compensate GDS Associates for all Services performed or contracted for up to and including the date of the termination of this Agreement and each Task Order.

#### **5. PAYMENT**

GDS Associates shall submit statements to Client for all charges and Services rendered by GDS Associates and for costs incurred by GDS Associates as provided in Exhibit A hereto. Client agrees to pay promptly to GDS Associates all amounts stated on each such statement. Such monthly charge shall accrue on all amounts due from said thirtieth (30th) day through the date on which such statement is paid in full; provided, however, that in no event shall such charge exceed the maximum legal rate allowable by law. Client understands and agrees that in the event of non-payment, GDS Associates may, after giving written notice to Client, suspend Services under this Agreement and under any Task Order between GDS Associates and Client. The failure of GDS Associates to impose any such charges or suspend any Services for any period of time shall not constitute a waiver of GDS Associates' right to do so at any future date.

In the event GDS Associates is named as a party in an action, suit, proceeding, demand, or assessment arising out of, in connection with, or as a result of the performance of Services or any Project Assignment by GDS Associates on behalf of Client, which is not due to or arising out of GDS Associate's negligence or misconduct, GDS Associates and Client agree to enter into a common defense with the same legal representation, which shall be controlled by, and paid for by the Client.
