Good Morning,

Chad is expecting to use approximately 20 dumpsters.

Also, I attached one more set of permits for electric work at the Coal Dock.

Let me know if you have any questions 😊

Have a great day,
Tanya

Hey there,

Yes, individuals or companies have to apply for the vehicle permit for dumpsters. Do you have an idea of how many dumpsters? \$175 covers the delivery and pick up of one dumpster. We don't need to permit each one, but if I can put an approximate amount of dumpsters on the application, that would be helpful.

Hi There,

We were just informed that Carriage Tours leaves it up to the homeowner to apply for vehicle permits. We are going to start the Jaquiss tear-down project later this week. I don't have accurate truck or route information for the permit.
Do you think this will work?

Thanks,

Tanya Johnston
