Dear Mr. Dombroski,

Please find enclosed the Building Permit and Historical District Commission Permit applications for the repair of the lateral supports at the Mackinac Island Ferry Company Main Dock #1. Included with these applications are the fourth revision drawings of the repair plans for the lateral supports. These revisions address the feedback we have previously received and incorporate all necessary adjustments to ensure compliance with city regulations.

As you advised, we are currently awaiting information regarding the actual permit fees. As soon as we receive this information, we will promptly process the payment to ensure there are no delays in the commencement of our project.

Should there be any questions or additional requirements needed to expedite the processing of our permits, please do not hesitate to contact me. I am more than willing to provide any further information or clarification that might be necessary.

Thank you for your attention to this matter. I look forward to your response.

Sincerely,

Jerry Fetty
