Good Morning,

Please see the attached invoice I only included the last page showing the permits. If you need more than that, just let me know.

I also included a permit to repair the sewer for Matt McCarty, in Trillium Heights. Larry has been in touch with Margaret about this job. We do not have a date scheduled just yet, it depends on finishing our current project.

Have a great day,

Tanya Johnston

Hi Tanya,

Could you please send me a copy of the invoice Tom is referencing below?

I know you and I talked about this before. I just want to have something for Council to check before making a decision.

Thank you!
