Executive Overview

The Michigan Municipal League Liability and Property Pool has been a stable source of comprehensive municipal insurance and risk management services since 1982. It is financially secure and positioned for long-term stability.

The **City of Mackinac Island** has been a Pool member since **1985**.

The Pool staff is made up of municipal insurance experts. Municipal risk management is our only business, and we are proud of it!

The Pool provides insurance coverage designed specifically for Michigan municipal exposures, combined with a package of loss control programs, claims administration, legal defense, and membership services that you will not find anywhere else in Michigan.

This quotation is based on the limits of coverage requested by the **City of Mackinac Island**. Higher limits may be available, subject to underwriting review by Pool Management. Please submit requests for higher limits in writing to your Account Executive. Your request will be considered by Pool Management.

The insurance and related services described more fully in this proposal are being offered to the **City of Mackinac Island** for an annual premium of **\$139,576**. When compared to last year's cost of \$126,843, it represents a premium increase of \$12,733. This increase is primarily due to a \$44,800 increase in property value.

In addition, the MML Liability & Property Pool Board of Trustees voted to return another post-renewal dividend for Members renewing in 2026. The **City of Mackinac Island's** portion of the dividend return is \$4,180. The **City of Mackinac Island** will receive this dividend in the month following payment of your 2026 renewal premium.

We encourage you to compare the Pool with our competition. Compare us based on price, coverage, service, financial security, experience, and commitment to municipal risk management. When you do, the advantages of Pool membership become clear.

Thank you for being a Pool member. We look forward to servicing your risk management program for many years to come.

Our Mission

To be a long-term, stable, cost-effective risk management alternative for members of the Michigan Municipal League Liability and Property Pool.
