

MACKINAC ISLAND

PLANNING COMMISSION ★ HISTORIC DISTRICT COMMISSION ★ BUILDING DEPARTMENT

October 17, 2025

City of Mackinac Island City Council
Mayor Margaret M. Doud
City Council Members

Dear City Council Members:

At the October 14, 2024 Planning Commission meeting there was a discussion regarding the lack of compliance with City Ordinances by community members and businesses.

The Planning Commission would like to bring to your attention that there are several ordinances on the books, that are not being followed.

One of the examples discussed is the inspection of rental units or boarding houses to make sure they are being used with the proper conditions and density agreed to.

It was discussed that the newly appointed Fire Marshal could take the responsibility along with the building inspector. This might satisfy the safety inspections and the code/use inspections.

Sincerely,

A handwritten signature in blue ink that reads "Katie Pereny".
