Ms. Danielle Leach
City Clerk
City of Mackinac Island
Mackinac Island, Michigan 49757

Dear Danielle;

Hello! Here are the 2025 permits for vehicles needed for production of the DRC meeting.

The first truck is for Creative Day Technologies. They will have a 40' truck coming over to British Landing on Friday, May 23, 2025, in the early AM, and driving up to be parked that week behind the hotel for the video wall and production equipment for the conference. They are coming over via Arnold Freight. They will stay behind the hotel until the AM of Saturday, May 31st, when they will return to British Landing to depart from the island. This is the same truck that has come since 2019.

The second 2 trucks are for Detroit Public Television. The first is a 16' box truck that will be coming over to British Landing on Sunday, May 25, 2025, in the early AM, and driving to the hotel to be parked behind the hotel for equipment and production support for DPTV, the media outlet that streams the Detroit Regional Chamber meeting here at Grand Hotel. The second truck will be arriving on Monday, May 26, 2025, in the early AM to British Landing and drive up to the hotel. This is a 35' HD Mobile Satellite Truck. Both trucks will be parked behind the hotel out of sight from the road. They will also both be departing on Saturday, May 31st early from the hotel to be at British Landing to be taken off the island by Arnold Freight.

The last vehicle is the mobile van for WDIV that has come for the last 12 years. It arrives at British Landing on Tuesday, May 27th to be escorted up to the hotel and then it will depart on Saturday, May 31st or it may depart late on Friday, May 30th depending on how quickly they can break down their equipment.

Please let me know if you have any questions or concerns. Thank you again for all your assistance with the media vehicles coming up to the island for the DRC Mackinac Policy Conference.

Sincerely,

Mary Beth Daniels, CMP
Vice President, Event Services
