Grand Hotel®

April 25, 2026

Ms. Danielle Leach
City Clerk
City of Mackinac Island
Mackinac Island, Michigan 49757

Dear Danielle;

Hello! Here are the 2026 permits for vehicles needed for production of the DRC meeting.

The first truck is for Creative Day Technologies. They will have a 40' truck coming over to British Landing on Friday, May 22, 2026, in the early AM, and driving up to be parked that week behind the hotel for the video wall and production equipment for the conference. They are coming over via Arnold Freight. They will stay behind the hotel until the AM of Saturday, May 30th, when they will return to British Landing to depart from the island. This is the same truck that has come since 2019.

The other 2 trucks are for Detroit Public Television. Both trucks this year will be coming on Sunday, May 24, 2026, in the early AM. The first is a 16' box truck that will be coming over to British Landing and driving to the hotel to be parked behind the hotel for equipment and production support for DPTV, the media outlet that streams the Detroit Regional Chamber meeting here at Grand Hotel. The second truck will be a 35' HD Mobile Satellite Truck. Both trucks will be parked behind the hotel out of sight from the road. They will also both be departing on Saturday, May 30th early from the hotel to be at British Landing to be taken off the island by Arnold Freight.

Please let me know if you have any questions or concerns. Thank you again for all your assistance with the media vehicles coming up to the island for the DRC Mackinac Policy Conference.

Sincerely,

Mary Beth Daniels, CMP
Vice President, Event Services
