Subject: Trailer Permit Extension

Danielle

We would like to ask for an extension of trailer permits numbered T25-119-123 that are set to expire on 5/1/26 until 5/15/26. We are utilizing these to work with the freight line, drey company and DPW to receive the furniture for HVI and critically have a way to remove packaging trash from the site. The trailers are not all on site at any one time as these make up the full permitted fleet that is in rotation between the Harbour View, dock, St Ignace and Dafter trash receiving facility.

These trailers are moved by dray on island.

The Councils consideration of this extension would be greatly appreciated as we work towards presenting a clean job site for our neighbors and the visitors arriving to the island in the first few weeks of the summer season.
