Landmark available in some areas
NOTE: Due to limitations of printing reproductions, CertainTeed color to the graphic representations throughout this publication

are used on the roof's hip and ridge lines for a distinctive finishing touch to your new roof.
6. Ventilation
A roof that breathes is shown to perform better and last longer. Ridge Vents, in combination with Intake Vents, allow air to flow on the underside of your roof deck, keeping the attic cooler in the summer and drier in the winter.
