Subject: DRAFT - ET Agreement
Attachments: Emergency Marine Transportation Agreement – Mackinac Island & Bois Blanc Township
DRAFT 12152025.docx

Importance: High

Hello All,

Using a base format of other similar agreements we use; I have made an attempt at drafting a new agreement for Emergency Marine (Boat) Transportation for Medical Emergencies, between the City of Mackinac Island and Bois Blanc (Island) Township. This copy is being made available for your review, and feedback. This has also been sent to the lead officials for both City of MI, and BBI Twp., as well as Attorney. Erin Evashevski for their review.

Again, this is not a final version of the agreement. There is still a need for potential discussions, final decisions, and document changes to be made before the final product is polished and signed. If you have any questions or concerns, please let me know. Its is my pleasure to assist you all in this collaboration.

Happy Holidays!!

Best regards,
