Subject: Richard (Dave) Thone -- Lou Salvatore Home (Sauna Permit Request)

To: The City of Mackinac Island

Please allow Mr. Richard Thone to speak on my behalf regarding zoning/permitting of my proposal to have a sauna in my private backyard (where the sauna is not visible to other Island residents). I have chosen Mr Thone to work on this project as he has done considerable construction work on the Island (and for me), understands the logistics, knows the city employees and is very capable. If there is any other city requirements we need to fulfill, pls advise us. Many thanks.
