Hello Mr. Dombroski,

We are reaching out to you or the HDC to seek permission to replace some porch lattice at my mother's home located at 7752 Lakeshore Road. AnnaMary Cusack has hired Bam Bazineau to replace the green lattice that has held up for 15 years and winters but is now showing signs of cracking, and because it is at the front of the house, we would like to keep it looking the best we can. The material used will be the same (like for like) as the original lattice which was approved previously when Mike Gamble built the porch. Bam is hoping to complete this project this fall before we have snow.

If there are any questions, please contact me at 231-838-6920 or Barn at 906-430-1100

Thank you, Kate Koboski (daughter of AnnaMary Cusack)
