Mackinac Island, MI 49757

To Whom It May Concern:

Reina Recycling hereby agrees to responsibly recycle all impounded electric bicycles transferred to us by the City of Mackinac Island Department of Public Works in a timely manner. We will dismantle all said electric bicycles to extract recyclable materials and harvest functional components for mainland utilization only. Any remaining unrecyclable materials will be transported to the GFL Environmental transfer station in Dafer for proper disposal. Under no circumstances shall Reina Recycling attempt to sell any complete, intact electric bicycles from this lot to any individuals or organizations by any means.

We thank you for the opportunity to help the City of Mackinac Island with your recycling and sustainability needs.

Sincerely,

Sherry L. Kruch, Executive Director
