Dennis, Danielle,

This one is for the church at 1623 Fort just NW of Market St. We will need to do a short bore under Fort St and place a handhole in the sidewalk. So, there will need to be sidewalk restoral as well. I believe UCI was going to get with you, if they haven't already, and find out who the City uses for concrete restoral.

Mike,

Just a heads up. There will likely need to be a bond for the bore under Fort St and the concrete restoral in the sidewalk.
