Hi, we need to get these permits extended due to weather and material delays . We will be finished with construction this week and will return when the ground thaws to repair grass and anything else that needs to be addressed . We are currently looking for somewhere to park our equipment until we can get it off the island but are having no luck finding somewhere to park it any help with this would be appreciated . If you need anything else please reach out to me .

Thank you have a great day

Mike Dwyer

Good morning,
I talked with UCI this morning. Bob Horn is going to plow a spot for them down at the British Landing Dock service yard where they can store their equipment until there is a boat.

Thanks,

Myron Johnson

Just wanted to give you all a heads up on this agenda item. UCI is of course stuck here due to the ice - they've finished at the Medical Center and are almost wrapped up with the May Cottage. However, they are still looking for a place to park until the boats start back up.

Mike has apparently reached out to Myron to see if the State Park has anywhere they can store their equipment, but has not heard back. I also recommended Mark Ware to see about the Beaver Dock or Brad Chambers to see if MICT has anything. Andy Rhynberg is his local contact, and apparently he is working on finding something - hopefully they will have a location by today's meeting. They are currently parked by the Windermere at the corner of Main & French, which I figure isn't the best long-term parking spot.
