Subject: Annex Dust Control

Good Morning,

On behalf of the Hubbard's Annex Homeowners Association, we'd like to request the city's support to purchase the same dust control product that you've supported over the past years.

Below is the cost quotation for the required materials. I'll work with Brad Chambers as we have in the past to apply the product to the roads.

Thanks for your help – we appreciate it very much.

Jeff Steiner

Subject: Re: Mackinac Island - Request for Quote

Hello Jeff,

Good to hear from you. The product has bumped up some since last year, so you're looking at **\$3200 (all in) delivered** to the same location:

Steiner, Hubbard's Annex

C/O Arnold Freight

303 Ferry Lane

St. Ignace, MI 49781

Thanks!

David
