To Whom it May Concern,

We would like to put an existing awning back onto the Arnold Transit building above the North facing window to the space we are leasing. It was recently found upstairs in one of the warehouses in great condition, and we were told a lot of work was done to it when it came down. Currently there is wood on the frame that is typically used for canvas. Even though the wood is in good condition, we would like to put canvas back on it. Likely in our blue and white stripe from our main logo – please see below.

Please let me know if you have any additional questions! Thank you for your consideration.

All best,

Kate Conlon
