Historical Committee,

We are planning on using two 4x4 post's and some hardware for this small project. The width of the gate opening will be 5 feet in total, split in two for roughly two 2 ½ foot gates to swing inward to our property on French lane. The original fence section will be cut out and will be used for the gates since they were all replaced in the last couple of years.

Since I filled out form and typed this letter, we have contacted Nathen St Onge to do this project. Picture of what we are going to do and some measurements.

SINCERELY,

JEFFREY SHAFFER
