Just amend them on your end that is fine 😊  
Thank you so much for your response.

**Subject:** Doud Permits

Hi Loni,

Sorry for my misunderstanding with your permits – when I opened the attachment on my phone last night it just showed the permit with the April – May dates, so I thought there was no problem waiting for the October 30<sup>th</sup> meeting.

Unfortunately, I still cannot add your permits with the October 28<sup>th</sup> start date to tomorrow's agenda as tomorrow's meeting was called specifically to enter in to closed session to discuss ferry boat matters, not to discuss anything that may come before the Council. Therefore, these permits cannot have a start date until October 31<sup>st</sup>. Would you like to send me revised permits, or would you like me to amend them on my end?
