Our lawyers request:

We just need clarification and confirmation from the City Council that the 263 commercial rental bike licenses approved to be transferred as of September 18, 2024 (per the Regular City Council Meeting Minutes (attached)) will be transferred to Mack Tracks, LLC. This is because under Section X of the Meeting Minutes, the Council stated such bike licenses will be transferred to KSL Capital.

Thus, for tonight, we just need the minutes to essentially say the Council confirms that the 263 commercial rental bicycle licenses approved to be transferred on September 18, 2024 pursuant to the the Regular City Council Meeting will be transferred to Mack Tracks, LLC.

Reattaching here the approved application (second attached), which specifies Mack Tracks, LLC as the transferee, if helpful to present tonight.
