Dear Mayor Doud and City Council Members,

Wanted to clarify Shepler's **Private Luggage Cart Fee of \$40.00** listed on our 2024 Fare Schedule. This would only be applied if the following situations:

- Items being shipped are considered *freight* (*luggage, groceries, and household goods* would be shipped free of charge for all guests).
- A guest would like no other items placed on the luggage cart.
 - If there is room for additional items to be stacked on the cart and the guest is okay with this, then there is no charge.
 - If there is room for additional items to be stacked on the cart and the guest is NOT okay with this, then the guest is subject to the Private Luggage Cart Fee \$40.00.
 - If the guest takes up the entire cart and no additional items can be added to the cart, then there is no charge.

If you have any questions, please let me know.

Best Regards,

Jason Wiley
