Good Afternoon Danielle,

Attached are the diagrams for three events that we will have on the Front Lawn at Mission Point this year involving alcohol:

July 16 - CYC (Chicago Yacht Club) - Front Lawn - 3,000 guests  
July 23 - BYC (Bayview Yacht Club) - Front Lawn - 5,000 guests  
Aug 18 - Mackinac Island Swim - Front Lawn - 500 guests

I believe the City Council has to approve them each year before I can get the police chief to sign and approve of the events and prior to submitting documents for a temporarily alcohol service permit from the state. If I'm not mistaken, getting city council approval is the first step. Can you please add this to the agenda?

Danielle,

The Jeep sponsorship for that event has not been confirmed yet so we are holding off on any permits until Jeep has confirmed whether they will be sponsoring that yacht race or not.

Thanks,  
Becky

Hello Becky,

Yes, I believe you are correct that Council's approval of the events is the first step so I will get them added to our April 3<sup>rd</sup> agenda.

For the Bayview party, I see a Jeep listed – if there are plans to bring jeeps and trailered boats in again, special permission will need to be obtained for that from Council and temporary vehicle and trailer permits will need to be submitted and approved as they were last year.

If you have any questions or need anything further in the meantime, please let me know!
